How to do my own makeup workshop” at Posh Lab Brandwag

On 8 June 2017, Posh Lab Brandwag hosted their first workshop on how to do your own makeup - using your OWN stuff. This way we had the opportunity to teach the ladies how to make their own faces even prettier by using what they have at home (and obviously advising them on what they might need to improve their skills even further.) If you weren't there, you surely missed out, but not to fear because we will be running another workshop very soon.

Congratulations to...

- Sindi and Rochelle for achieving the highest sales at Brandwag during the month of June.
- Olga for being awarded the Second Prize for Nails – Tip Overlay at the bi-annual EOHCBC competition for hair and nails.
