June 2017

“How to do my own hair workshop” at Posh Lab Brandwag was a huge success!!

On 26 April 2017, Posh Lab Brandwag hosted their first workshop on how to blow wave and curl your own hair while using your OWN stuff. This way we had the opportunity to teach the ladies how to make their own hair pretty by using what they have at home and advising them on what they might need to improve the outcome even further.

If you weren't there, you surely missed out, but not to fear because we will be running another Workshop very soon.

Our "How to do my own makeup workshop" will be held on Thursday 8 June 2017. Please phone the Brandwag salon to book your spot!

Crazy Deals for June 2017

June is Father's Day month so our Crazy Deals this month is especially geared towards sending that special guy for a bit of pampering at a price that offers value for your money. Our Father's Day specials are valid for all of June 2017. You can also phone us to arrange for a voucher to be sent to him via whatsapp or e-mail.

Hot Stone Massages

Combining hot stone protocols with a full body massage provides a very healing and relaxing experience. The hot stones also expand blood vessels, which encourages blood flow throughout the body. These stones have a sedative effect that can relieve chronic pain, reduce stress and promote deep relaxation.

These massages are offered at both our Westdene and Brandwag salons. Please see our pricelist on www.poshlab.co.za for options and prices.
